Attn: Margaret Ash

Dear Ms. Ash:

Pursuant to instructions by the Adams County Planning and Development Department, I am writing to inform you that I am applying for a permit to construct a standalone garage and emplace a pool on my property at the address above.

As these are permanent structures and may impinge on access to some subterranean emplacement, pipe or structure below the surface of the property, I'm required to inform you before the County will consider my application for a permit.

According to my title records, the Lessee was a company called "Hilight Drilling Company" from back in 1970 which doesn't seem to exist anymore as I can find no records of the company.

Sincerely,

A handwritten signature in black ink, appearing to read "T. J. Bullen". The signature is stylized with a large, sweeping initial "T" and a cursive "J".
