Re: Adams County Notification

Dear Mr. Bullen:

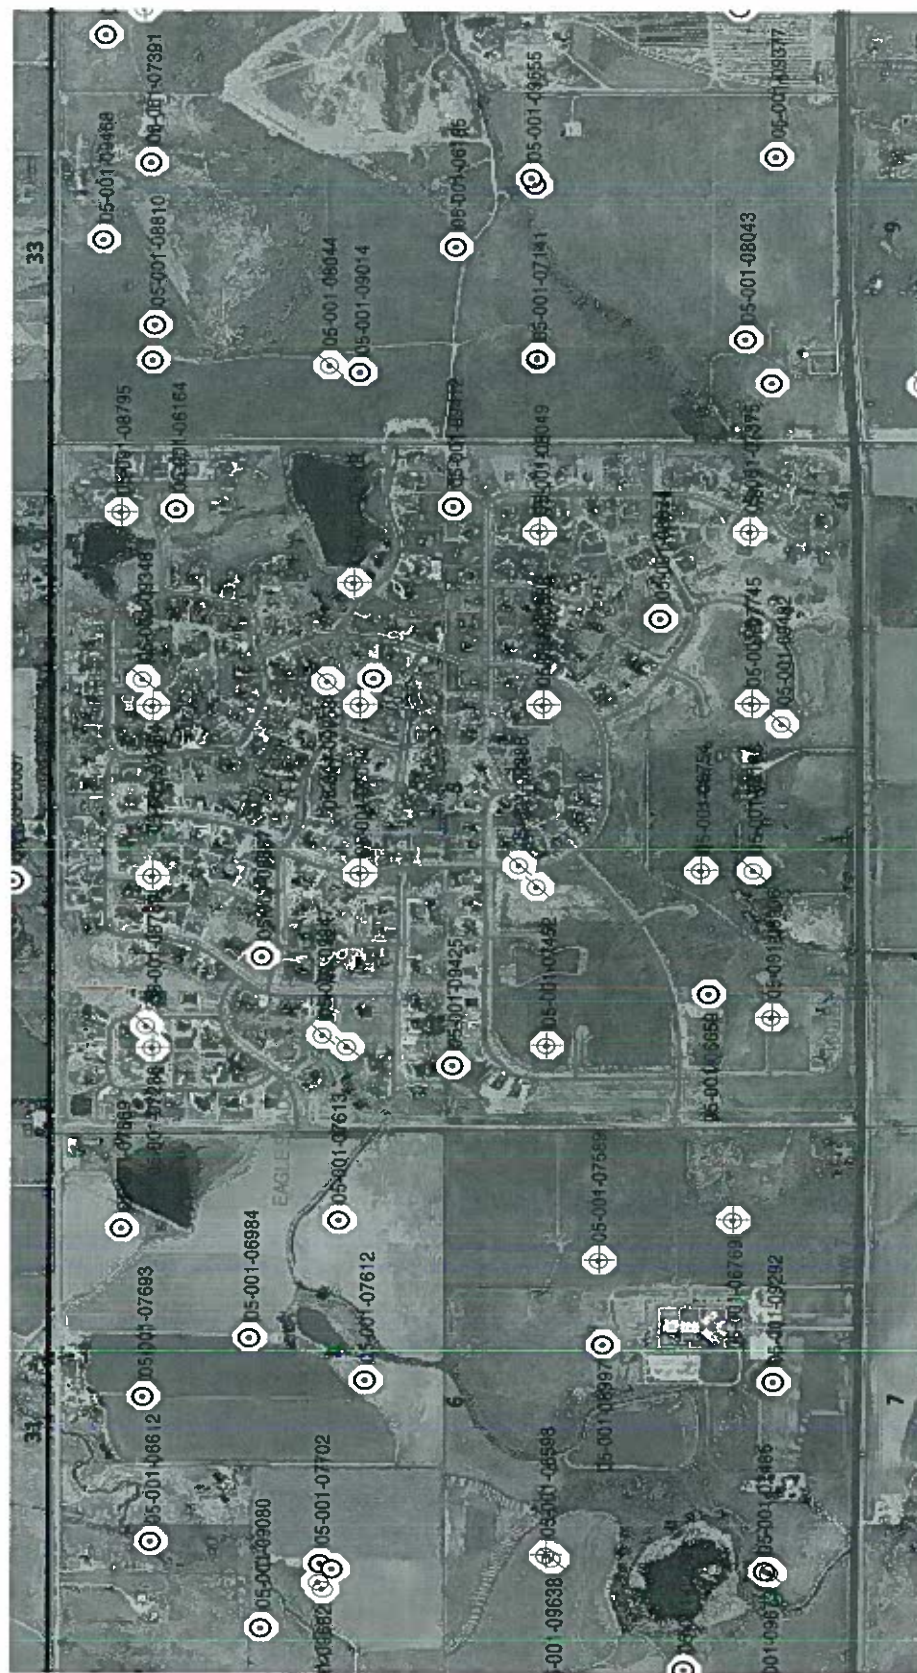

The Colorado Oil & Gas Conservation Commission (COGCC) is in receipt of your notification concerning an Adams County building permit application. The COGCC will file the notice letter with the known well locations within Section 5, Township 1 South, Range 67 West.

I have enclosed some information concerning known oil and gas operations near your residence. There are two aerial photos that show well locations, the API number and well status and a report of wells within Section 5. The report includes the well name, operator name, well location, and well status. If you have any questions or would like additional information please contact me at (303) 894-2100 ext 5110 or [margaret.ash@state.co.us](mailto:margaret.ash@state.co.us).

Sincerely,

Margaret Ash  
Manager, Field Inspection Unit
