Arthur,

Attached is an updated Access Road for the Paiute 34-29.
Let me know if this is more what you had in mind.

Subject: Paiute 34- 29 2A document # 400184503, Pine Ridge

Paul,

The COGCC is reviewing the Form 2A (#400184503) for the Paiute 34- 29 location, located in the SWSE Sec 29 T19S R69W Fremont County, Colorado. The COGCC requests the following changes regarding the data submitted on or attached to the Form 2A prior to passing the Oil and Gas Location Assessment (OGLA).

1. Access Road Map: Please provide an amended access road map that shows the ingress/egress from the nearest public road to the Paiute 34 – 29 location. The current map does not adequately display how ingress and egress is achieved.
2. Location Drawing: The location drawing refers to the Oilfish 24 – 30 in the legend. Please amend the drawing and email the new version to me.
3. COAS: The following COAs will apply to the Paiute 34 – 29 location:
 - Due to the likely hood of oil being received in the pit and exceeding 10,000 ppm TPH an approved Pit Permit (Form 15) will be required prior to pit construction. The form 15 shall include a pit management plan.
 - Reference area pictures shall be provided to the COGCC within 12 months of approval of the form 2A.

If you have any questions or concerns please feel free to contact me.

Thanks,

Arthur
