Gentleman,

Weld County Assessor records indicate you own the surface of the captioned lands. Colorado Oil and Gas Conservation Commission Rule 305.e. (1).B requires that you be given thirty (30) days advance notice of planned oil and gas operations on the captioned lands. Please be advised that Noble Energy, Inc. ("Noble") plans to commence operations for the drilling of the captioned well on or about March 2011. Enclosed are (1) A preliminary plat showing the approximate location of the planned well and the associated facilities and roads. (2) The Informational Brochure for Surface Owners entitled Oil and Gas Well Notification, Consultation and Reclamation. It contains the rules pertaining to notice of oil and gas operations and opportunities for consultation, the rules of procedure for filing complaints and making applications for hearing, the Commission's main office, field offices and website, and the local governmental designees. (3) A postage-paid, return-addressed post card through which you may request consultation.

Following your receipt of this letter Noble's representative Scott Lewis (303-641-4686), will contact you to arrange for surveyors to enter your land to stake and survey the well location and to consult with you regarding its proposed operations. If at any time you have questions, please do not hesitate to contact Scott at the number above or myself at 720-587-2048 or GRBurchard@nobleenergyinc.com

Regards,
