Re: Exception Location Request to Rule 603.a.2
Aristocrat 6-2-8/6-0-8 Wells
NENE of Section 8-T3N-R65W
Weld County, CO

Dear Mr. Neslin:

Please let this letter serve as a request for administrative approval of an exception location for the captioned oil and gas well.

EnCana Oil & Gas (USA) Inc. ("EnCana") proposes to drill the Olive 13-26 well 41' from a property line. EnCana has addressed this issue in the Compatible Development Surface Use Agreement and the encroached upon surface owners agree to forever waive the setback requirements.. A copy of that agreement with the waiver is enclosed for your file.

Thank you for your assistance in this matter. If you have any questions or comments, please call me at (720) 876-3687.

Very truly yours,
ENCANA OIL & GAS (USA) INC.
