Subject: Kaiser 18-10 form 2A #400188444, Bayswater

Kallasandra,

The COGCC is reviewing the Form 2A (#400188444) for the Kaiser 18-10 location, located in the NENW Sec 10 T6N R65W Weld County, Colorado. The COGCC requests the following changes regarding the data submitted on or attached to the Form 2A prior to passing the Oil and Gas Location Assessment (OGLA).

1. Location: A review of the information on COGIS indicated that this is an existing Bayswater location (location ID 310453). The 2A should be changed to amend existing location ID # 310453.
2. Facilities: The total number of well on the location should be changed from 2 to 3 to reflect the existing well and the 2 new wells.

If you have any questions or concerns, please do not hesitate to contact me.

Thanks,

Arthur
