RE: **20 Day Certification Letter**
392 Ventures #22MD Well: 1516' FNL, 2329' FWL
Sec. 22-T6N-R67W, Weld County, Colorado

Dear Mr. Neslin,

Peterson Energy Operating, Inc. (POPCO) hereby certifies that twenty (20) day notice has been given to all owners in the proposed wellbore spacing unit in accordance with Rule 318A.e(6). POPCO has received no objections to the subject well location, proposed spacing unit, or additional producing information. The twenty (20) day objection period has been waived by one of the two mineral owners. POPCO respectfully requests that the Director approve the boundary well.

Please see the attached spacing unit map which certifies that the NW of Section 22 will have no more than eight (8) bottom-hole locations producing from the Niobrara, Codell or J-Sand formations.

Should you have any questions or concerns please contact the undersigned at 970-669-7411.

Sincerely,

Clayton L. Doke
Petroleum Engineer
Peterson Energy Operating, Inc.
