

Location Drawing

Tie to Nearest:

Building 17,060' westerly
 Public Road 2850' south
 Property Line 450' east
 Above Ground Utility 2800' northwest
 Railroad 15,800' northwesterly

Reference Point Data:

Latitude: N 39.323630°
 Longitude: W 108.124497°
 FNL: 1528'
 FEL: 450'
 PDOP: 2.2
 ELEV: 5614.5'
 Field observations taken on
 3/23/11 by operator Jason Hergert.

Distances listed below are measured from the Reference Point

- | | |
|-----------------------------------|-------------------------------------|
| [A] two-track road 850' southwest | [G] two-track road 780' northeast |
| [B] two-track road 702' northwest | [H] two-track road 666' southeast |
| [C] two-track road 877' northwest | [I] two-track road 886' southeast |
| [D] two-track road 871' northwest | [J] buried pipelines 864' southeast |
| [E] two-track road 769' northeast | [K] buried pipelines 368' east |
| [F] two-track road 649' northeast | [L] buried pipelines 801' northeast |
