Mr. Neslin:

NEI's proposed wellbore spacing unit consists of N/2 Section 15, T6N, R64W, creating a 320-acre wellbore spacing unit for the Niobrara formation. - Plat illustrating proposed wellbore spacing unit on existing location plat.

Thank you for your attention to the enclosed. NEI respectfully requests that the COGCC review the enclosed information and approve the Application for Permit to Drill the captioned well.
