Dear Charla;

In accordance with the requirements of Rules 305.e.(1).A. and 305.e.(1).B. of the Colorado Oil and Gas Conservation Commission ("COGCC"), this letter serves as advanced notice by EnCana Oil & Gas (USA) Inc. ("EnCana") of its intention to conduct drilling operations on the captioned wells located on your property. EnCana's operations are estimated to begin in the fourth quarter of 2011 pending receipt of required permits, approval of title and drilling rig availability.

EnCana's representative, Doug Pearlman, will be contacting you within the next several days to schedule a consultation to discuss the location of the additional wells, access roads, production facilities and other related matters (please see the enclosed aerial plat), however the well locations may be staked prior to a consultation. Doug will also deliver a revised Surface Use Agreement which reflects the changes made to our previous agreement of December 2, 2009.

As the surface owner, it is your responsibility to notify any affected tenant farmer, lessee or other party that may own or have an interest in any crops or surface improvements that could be affected by these proposed operations.

Should you have concerns regarding the surface location, please feel free to contact Doug Pearlman at (303) 330-8903, or if you have questions about this notice, you may reach Sheila Frazier at (720) 876-3440.

Very truly yours,

A handwritten signature in black ink that reads "Sheila Frazier".
