Dear Mr. & Mrs. Widener;

Pursuant to Rule 305(e)(1)(B) of the Colorado Oil and Gas Conservation Commission, this letter is to give you advanced notice that Rosewood Resources, Inc. intends to conduct drilling operations for gas wells as indicated on the attached plats.

Enclosed, please find a postage-paid Post-Card were you can indicate your preference for an onsite inspection of our proposed well locations and the corresponding ingress/egress routes.

In addition, enclosed are copies of Surface Use Agreements you both executed previously for the four (4) proposed wells. The Surface Use Agreements cover four proposed wells located in the SE/4 of Section 4-Township 2 North-Range 47 West, in Yuma County, Colorado.

Please refer to the attached plats as the proposed locations have changed slightly in their respective footages from the South and East Section lines in addition to the well names being changed.

Your cooperation concerning this matter is greatly appreciated. Should you have any questions or require additional information regarding this matter, please do not hesitate to contact me on my cell phone at (970) 630-3378.

Very truly yours,
