Dear Mr. Neslin,

Bayswater Exploration & Production, LLC, is planning to drill the above mentioned wells to the Codell/Niobrara/Greenhorn/Parkman/Sussex/Hygiene formations.

The surface locations of Bayswater Exploration & Production, LLC's proposed wells (SHL) have been staked outside of the 318A.a drilling window. The locations are being permitted as exception locations due to surface use being crop land and surface owner request.

Thank you for your attention to the enclosed. Bayswater Exploration & Production, LLC requests that the COGCC review the enclosed information and approve the requested exception location request and Application for Permit to Drill for the above captioned wells.

Very Respectfully,

Kallasandra M. Moran  
Regulatory Technician, Petroleum Field Services  
Agent for Bayswater Exploration & Production, LLC
