Randall,

Attached is a copy of the NOAV for the Spaur Beneficial Reuse area – Facility ID 425114. The text for the corrective actions did not fit in the space provided on the form, so a page is attached with the complete text. If you have any questions regarding the corrective actions, please give me a call to discuss. We can also discuss during the meeting planned for Friday 11/18. The original NOAV will be sent today via certified mail to your attention.

Thank you,
John
