5. **DESCRIBE PROPOSED OR COMPLETED OPERATIONS**

SG Interests intends to construct, line, and fence this pit in the fall of 2011 (start date 9/16/2011). The pit will not be filled until spring of 2012 and therefore will not be netted until that time. The only fluids expected in the pit prior to spring 2012 filling is precipitation and snowmelt. Colorado Division of Wildlife has been notified of our work plan.
