Re: Notice of Operations – Bearden 2-4-6, 0-6-6, 2-8-6 Wells  
Township 1 North, Range 68 West  
Section 6: Center window of SW/4  
Weld County, Colorado

Dear Mr. Pfeiff:

In accordance with the requirements of Rules 305.e.(1).A. and 305.e.(1).B. of the Colorado Oil and Gas Conservation Commission (“COGCC”), this letter serves as advanced notice by Encana Oil & Gas (USA) Inc. (“EnCana”) of its intention to conduct drilling operations on the captioned wells located on your property. EnCana’s operations are estimated to begin in the 3rd quarter of 2012 pending receipt of required permits, approval of title and drilling rig availability.

EnCana’s representative, Bob Bresnahan, will be contacting you within the next several days to schedule a consultation to discuss the location of the wellsite, access roads, production facilities and other related matters, however the well location may be staked prior to a consultation. Enclosed for your review is an informational copy of COGCC’s notification, consultation and reclamation rules regarding oil and gas operations.

The COGCC regulations provide that the surface owner may designate a representative for surface consultation. Enclosed is an owner response form and we ask that you indicate your preference with regard to the consultation requirement and return the form in the self-addressed stamped envelope provided for your convenience. Also enclosed for your review is a copy of a policy recently adopted by the COGCC addressing on-site inspection requests including a form for requesting such an inspection.

Should you have concerns regarding the surface location, please contact Bob Bresnahan at 720.369.0432, or if you have questions about this notice, you may reach Sheila Frazier at 720-876-3440.

Very truly yours,

A handwritten signature in blue ink that reads "Sheila Frazier".
