**Re: Letter Agreement regarding County Permit for Compressor Station  
Township 7 South, Range 95 West, 6<sup>TH</sup> P.M.  
Section 1: S/2SE/4  
Garfield County, Colorado**

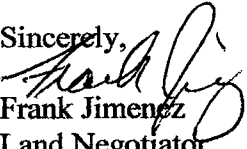

Dear Ms. Wheeler:

Pursuant to Section 4-502 (B) of the Garfield County Unified Land Use Resolution, operators are now required to file an application form for a land use change permit. As part of the application, operators are required to submit a letter signed by the owner consenting to the submission of the application.

If you wish to attend the Public Hearing and witness the decision made by the Board of County Commissioners, the Notice will be posted in the local newspaper pursuant to Section 4-103 (F).

If you have any questions, please feel free to call me. Thank you for your continued support in our exploration program.

Sincerely,

  
Frank Jimenez  
Land Negotiator
