Re: State 16-3-61 1H
Section 16, Township 3N, Range 61W
Weld County, CO

Dear Mr. Kelly:

Pursuant to Colorado Oil & Gas Commission ("COGCC") Rule 305(e)(1)(B), Chesapeake Operating, Inc. ("Chesapeake") is required as mere formality to provide advance notice of its expected commencement date of operations with heavy equipment on your property described above as well as a plat of the proposed locations and contact information. This letter shall serve as such notice.

Please be advised that Chesapeake intends to commence its operations on or about January 16, 2012. This date however is subject to change, and should that occur, Chesapeake will make every attempt to notify you of any such change.

Furthermore, please find enclosed a plat of the proposed well site, facility and road locations. As you are probably aware, Chesapeake's operations on your property will include, but are not limited to, the construction and operation of certain road(s), production facilities and well site location(s). Such well site location may be used for the drilling of multiple horizontal wells. Additionally, should circumstances arise that warrant changes to these locations, contact will be made for discussion of said changes.

Lastly, a representative from Chesapeake will attempt to make contact with you within 24 hours prior to entry onto your property. Should you have any questions in the mean time, please feel free to contact the following Chesapeake representative:

Chesapeake Operating Inc.
Attention: Andrew Kopec, Field Representative
3001 E. Pershing Blvd, Suite 120
Cheyenne, Wyoming 82001
(307) 333-3378

We look forward to continue working with you on the reasonable, timely and orderly development of the oil and gas resources underlying your land.

Sincerely yours,
