Yes, Wiepking-Fullerton Energy will have one (1) drilling pit on location. I forgot to mark that box under # 5 Facilities.

Thanks for your help

Jack,

The COGCC is reviewing the Form 2A (#400245855) for the Wiepking-Fullerton Energy Mahalo #6 location, located in the SWNE Sec 29 T10S R55W Lincoln, Colorado. The COGCC requests the following changes regarding the data submitted on or attached to the Form 2A prior to passing the Oil and Gas Location Assessment (OGLA).

Facilities

It looks like Wiepking-Fullerton intends to have a drilling pit on the location but no drilling pit is called for on the Form 2A. Please verify if a drilling pit will be constructed on the location or not.

Thanks,

Arthur
