Gentlemen:

In accordance with the requirements of Rules 305.e.(1).A. and 305.e.(1).B. of the Colorado Oil and Gas Conservation Commission ("COGCC"), this letter serves as advanced notice by EnCana Oil & Gas (USA) Inc. ("EnCana") of its intention to conduct drilling operations on your property. EnCana's operations are estimated to begin in the 1st quarter of 2011 pending receipt of required permits, approval of title and drilling rig availability.

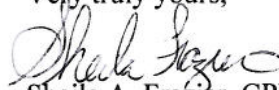

EnCana's representative, Doug Pearlman, will be contacting you with regard to discuss the surface agreement and the location of the above wells, access roads, production facilities and other related matters (please see the enclosed aerial plat), however the wells may be staked prior to a consultation.

The COGCC regulations provide that the surface owner may designate a representative for surface consultation. Enclosed is an owner response form and we ask that you indicate your preference with regard to the consultation requirement and return the form in the self-addressed stamped envelope provided for your convenience.

As the surface owner, it is your responsibility to notify any affected tenant farmer, lessee or other party that may own or have an interest in any crops or surface improvements that could be affected by these proposed operations.

Should you have concerns regarding the surface location, please contact Mr. Pearlman or if you have questions about this notice, you may reach Sheila Frazier at (720) 876-3440.

Very truly yours,

Sheila A. Frazier, CPL
