5. DESCRIBE PROPOSED OR COMPLETED OPERATIONS

Following discussions with Chris Canfield 3/15/2012, on report format and detail of information, a decision on presentation of information has been made. The intent of the format will be to lead Oxy and COGCC staff to a point where a presentation of summary information for the remediation efforts can be made to the Commission. To accomplish the initiation of that data presentation, Oxy is requesting an extension of the expected delivery date of the 2011 4th quarter and year end summary report to April 13, 2012 to allow time to develop the new presentation format.
