RE: Well Proposal: Five Rivers BB 30-21  
Section 30 of Township 5 North, Range 63 West  
Weld County, Colorado

Dear Ms Potts:

The proposal of the subject well may seem familiar as this well was originally Noticed as a 318A.e Well Proposal by Noble Energy, Inc. ("Noble") on or around July 7, 2010. Noble and Great Western Oil & Gas Company, LLC. ("Great Western") have worked together and have Sundried the formally approved drilling permit to have Great Western be cited as the new operator.

Great Western Oil & Gas Company, LLC. ("Great Western") proposes to drill and operate the Five Rivers BB30-21 well (the "Well") on the referenced lands to an estimated depth of 6,800', to test and complete the Codell/Niobrara formation. The spacing unit for these wells will be comprised of the SW/4NE/4, NW/4SE/4, NE/4SW/4, & SE/4NW/4 of Section30, in T5N, R3W, 6<sup>th</sup> P.M.

Enclosed for your review are the following:

1. Copy of the Permit Sundry
2. An Election form with 30 day notice waiver language.
3. AFE for the drilling and completion of the Well. The AFE costs are estimates and actual costs may be higher or lower. Approval of the AFEs constitutes your approval of the actual cost of the operation.
4. A formal wellbore specific Operating Agreement on A.A.P.L. Form 610-1989, executed by Great Western, dated April 1<sup>st</sup>, 2012.

**If you choose to participate** in the proposed operation, please return this letter with your election selected on the election page, a fully executed AFE and one set of fully executed and notarized signature pages of the Operating Agreement to the undersigned.

**If you choose not to participate** in the proposed operation, please return this letter with your election selected on the election page and one set of fully executed and notarized signature pages of the Operating Agreement to the undersigned.
