Jess,

The new CPW date is 07-30-2012. All other dates have also been extended to 07-30-2012. Please let me know at least a week before this deadline if the SUA and onsite have not been done, as we might want this permit to be withdrawn instead of extended any more. Thanks.

Dave

Dave:

Axia Energy respectfully requests an extension of an additional 40 days for the CPW consultation period on the Bulldog #1-22H-791 due to availability of landowner consultation and onsite delay.

Thank you.
