Existing Well Data:

Dowdy 43-10  
 Latitude: N 40.15184°  
 Longitude: W 104.64227°  
 FSL: 2149'  
 FEL: 493'  
 ELEV: 4862'  
 PDOP: 1.8

Proposed Well Data:

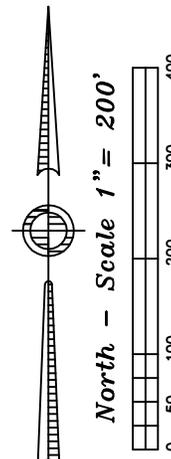

Dowdy 8-6-10  
 Latitude: N 40.15260°  
 Longitude: W 104.64122°  
 FSL: 2427'  
 FEL: 202'  
 ELEV: 4861'  
 PDOP: 2.3

Field observations taken on 5/24/12 by operator John Rice.

**Distances listed below are measured from the proposed Dowdy 8-6-10**

- [A] proposed Dowdy 8-6-10
- [B] proposed Dowdy 44-10, 10' north
- [C] proposed Dowdy 4-6-10, 20' north
- [D] proposed Dowdy 8-4-10, 30' north
- [E] existing Dowdy 43-10, 402' southwest
- [F] fence/property line 202' east
- [F-1] fence/property line 224' north
- [G] access 206' east
- [H] building 485' north
- [I] proposed facility pad 113' east
- [J] proposed facility pad 206' southeast
