Amber,

Please upload the attached NFA request letter and this email to:

- REM # 3642
- Location ID # 389634
- API # 075 08261

Thanks,

Ryan,

Remediation Project # 3642 has been closed. Please consider this email the confirmation that No Further Action is Necessary at Sanders A 2.

Based on review of data presented, it appears that no further action is necessary at this time at this site. However, should future conditions at the site be discovered of contaminant concentrations in soils exceeding COGCC standards or if groundwater is found to be significantly impacted, COGCC may require that further investigation and/or remediation be conducted.

Thank you,
Carlos

John,

Please review attached photos and NFA request for the Sanders A 2, Remediation #3642, API#05-075-08261. This is the old Walsh location we talked about a couple weeks ago. Let me know if you have any questions or need any more info.

Thanks
