**Inspector Comment:**

Follow up inspection to check final reclamation progress. See picutres and descriptions, remove all trash/waste/debris that could have been related to the drilling or operation of well. then deliniate revegetation areas and prevent further disturbance.

COGCC Comments		
Comment	User	Date
Trash/debris, barrel, boards and cuttings pile still behind juniper trees to southwest of salt kill, tire tracj=ked area. Trash needs to be hauled off and then revegetation efforts without disturbance can occur.	labowsks	08/28/2012
