Disclaimer

1. All accounts are to be paid within the terms fixed by Cutters Wireline Group invoices, and should these terms not be observed, interest at the maximum rate allowed by law will be charged from the date of such invoice.
2. Because of the uncertain conditions existing in a well which are beyond the control of Cutters Wireline Group, it is understood by the customer that Cutters Wireline Group cannot guarantee the results of their service and will not be held responsible for personal or property damage in the performance of their services.
3. Should any Cutters Wireline Group instruments be lost or damaged in the performance of the operation requested, the customer agrees to make every reasonable effort to recover same, and to reimburse Cutters Wireline Group for the value of the items which cannot be recovered or the cost of repairing damage to items recovered.
4. It is further understood and agreed that all depth measurements shall be supervised by the customer or its employees and customer hereby certifies that the zones, as shot, were approved.
5. The customer certifies that it has the full right and authority to order such work on such well and that the well in which the work is to be done by Cutters Wireline Group is in proper and suitable conditions for the performance of said work.
6. No employee is authorized to alter the terms or conditions of this agreement.
