NOTICE OF HEARING
TO ALL INTERESTED PARTIES AND TO WHOM IT MAY CONCERN:
On March 25, 1999 the Commission issued Order No. 1V-170, finding Allen Oil & Gas LLC ("Allen") in violation of Rule 326.b., failure to pass a mechanical integrity test for the following six (6) wells located in the NW1/4 of Section 18, Township 6 North, Range 86 West, 6th P.M.; the Bradley #2, Bradley #3, Bradley #5, State #1 State #2 and the State #5; Rule Nos. 904 and 905 for the Bradley #4 Well and Rule Nos. 603 g., 906, 909 b.(2) and (5) and Rule No. 910, for the State #1 Well located in Section 18, Township 6 North, Range 86 West, 6th P.M. It was further ordered that Allen plug and abandon the Bradley #1, Bradley #2, Bradley #3, Bradley #4, Bradley #5, State #1, State #2, State #3 and the State #5 Wells no later than July 1, 1999. In addition a fine of Twelve Thousand Dollars (\$12,000.00) was assessed for the violations, payable within thirty (30) days from the date Order No. 1V-170 was issued. Further, the Cease and Desist Order No. 1C-2 entered by the Commission on January 21, 1999 as of January 14, 1999, shall remain in effect until said order has been fully complied with by Allen Oil & Gas LLC.
On May 24, 1999 Allen Oil & Gas LLC, by its attorney, filed with the Commission a verified application for an order to amend Order No. 1V-170 to allow production of oil and gas from certain wells in the Tow Creek Field located in the NW 1/4 of Section 18, Township 6 North, Range 86 West, 6th P.M. Allen believes that two (2) and possibly as many as five (5) of the wells in the field can be produced economically in compliance with commission rules.
A hearing has been scheduled for July 12-13, 1999 to consider the application made by the Director to the Commission to call or foreclose on Allen's Thirty Thousand Dollar (\$30,000.00) bond to plug, abandon and reclaim all wells in the Tow Creek Field. In accordance with Rule 702.a., the Director hereby petitions the Commission for an increase in the financial assurance provided by Allen Oil & Gas LLC to the Commission to ensure the company is capable of fulfilling its financial obligations imposed by the Oil and Gas Conservation Act to operate wells in the Buck Peak Field.
