On March 25, 1999 the Commission issued Order No. 1V-170, finding Allen Oil & Gas LLC ("Allen") in violation of Rule 326.b., failure to pass a mechanical integrity test for the following six (6) wells located in the NW¼ of Section 18, Township 6 North, Range 86 West, 6th P.M.: the Bradley #2, Bradley #3, Bradley #5, State #1, State #2 and the State #5; Rule Nos. 904. and 905. for the Bradley #4 Well and Rule Nos. 603.g., 906., 909.b.(2) and (5), and Rule No. 910. for the State #1 Well located in Section 18, Township 6 North, Range 86 West, 6th P.M. It was further ordered that Allen plug and abandon the Bradley #1, Bradley #2, Bradley #3, Bradley #4, Bradley #5, State #1, State #2, State #3 and the State #5 Wells no later than July 1, 1999. In addition a fine of Twelve Thousand Dollars (\$12,000.00) was assessed for the violations, payable within thirty (30) days from the date Order No. 1V-170 was issued. Further, the Cease and Desist Order No. 1C-2 entered by the Commission on January 21, 1999 as of January 14, 1999, shall remain in effect until said order has been fully complied with by Allen Oil & Gas LLC.

Allen believes that two (2) and possibly as many as five (5) of the wells in the field can be produced economically in compliance with Commission rules.

In accordance with Rule 702.a., the Director hereby petitions the Commission for an increase in the financial assurance provided by Allen Oil & Gas LLC to the Commission to ensure the company is capable of fulfilling its financial obligations imposed by the Oil and Gas Conservation Act to operate wells in the Buck Peak Field.
