Re: 30-Day Notice Letter  
State 44-36 Well  
T11N-R54W  
Section 36: SESE

Dear Mr. Kelly:

Please use this letter as notice that SingleTree Resources has begun the permit process to drill a well in the location referenced above. SingleTree does not currently have a blanket bond with the Board of Land Commissioners, but sent a single well bond check in the amount of [REDACTED] to your office last week. I am unsure of who currently leases the surface in section 36 from the State Land Board, so if we need to contact any additional parties prior to drilling this well, please give me a call or send me an email. Your help and attention in this matter is appreciated.

Our drilling permits should be issued in the next six weeks and drilling could commence within 30 days. Please call me at the above listed numbers if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'T. Markve', with a stylized flourish at the end.
