COGCC has reviewed the Form 27 Site Investigation and Remediation Workplans submitted on your behalf by Olsson Associates on October 29, 2012. The workplans are approved with the following Conditions of Approval:

1. *Delineate the horizontal and vertical extents of impact at all three locations;*
2. *Provide GPS coordinates for actual locations of Antelope Pits.*

Please refer to the assigned Remediation Project numbers on all future correspondence. A copy of each of the approved remediation plans is attached.

Thank you,
