Comment	User	Date
PRAW Project-Reclamation Job: Landowner asked for and was given well perimeter fencing and large pieces of metal scrap on location. Landowner designated another site on his land to store metal scrap. Pull electric wiring, plumbing, and fittings for the water pump. Mark irrigation risers to avoid damaging; pull all fence posts and panels; breaking up and ripping well pad road base and gravel; weather changed and dealing with frozen soil; Excavate, cut off, cap and haul off three inch O.D. pipeline riser and flow meter.	weemsm	11/28/2012
