

# Location Drawing

## BUFFALO 35C-15HZ

### Horizontal Multi Well Pad

**NW¼ NW¼ & NE¼ NW¼ SECTION 15, TOWNSHIP 1 NORTH, RANGE 68 WEST OF THE 6TH PRINCIPAL MERIDIAN**

- |                                    |                                     |  |
|------------------------------------|-------------------------------------|--|
| 1. Proposed well BUFFALO 34N-15HZ. | 8. Proposed well BADGER 22N-3HZ.    | 14. Proposed well BUFFALO 36C-15HZ.                      |
| 2. Proposed well BUFFALO 13C-15HZ. | 9. Proposed well BUFFALO 35N-15HZ.  | 15. Proposed well BADGER 11C-3HZ.                        |
| 3. Proposed well BADGER 32C-3HZ.   | 10. Proposed well BUFFALO 14C-15HZ. | 16. Proposed well BADGER 25N-3HZ.                        |
| 4. Proposed well BADGER 12N-3HZ.   | 11. Proposed well BADGER 22C-3HZ.   | 17. Operational Disturbance Area.                        |
| 5. Proposed well BUFFALO 13N-15HZ. | 12. Proposed well BADGER 11N-3HZ.   | 18. Private Roads are ±635' NE, ±377' W, and ±460' NW.   |
| 6. Proposed well BUFFALO 35C-15HZ. | 13. Proposed well BUFFALO 14N-15HZ. | 19. Ditches are ±309' S, ±435' W, ±460' NW, and ±500' S. |
| 7. Proposed well BADGER 12C-3HZ.   |                                     | 20. Railroad (Out of Service) is ±836' NE.               |
|                                    |                                     | 21. Transmission Line is ±250' N.                        |
|                                    |                                     | 22. County Road 10 is ±395' N.                           |
|                                    |                                     | 23. Outbuilding is ±886' SW.                             |
|                                    |                                     | 24. Gate is ±650' NE.                                    |
|                                    |                                     | 25. Proposed pipeline to be ±190' N.                     |
|                                    |                                     | 26. Existing pipelines are ±205' N, ±348' N and ±376' N. |

Legend			Reference Location
● Proposed Well	== Public Road	— Proposed Pipeline	** All Measurements are Made from Reference Well BUFFALO 35C-15HZ ** <b>Lat: 40.057341° Long: -104.995704° (NAD83)</b> <b>Elevation: 5139 Feet</b>
★ Existing Well	■ Building/Residence	— Transmission Line	
— Underground Pipeline	□ Disturbance Area	+ Railroad	Surface Use: Dry Land & Irrigated Crop
— Ditch	□ 400' Radius	— Private Road
