Krout 14-1H located in Section 14, T4S, R64W, Arapahoe County, Colorado**

Dear Mr. and Mrs. Bray,

ConocoPhillips plans to drill the above referenced oil and gas well from Section 14, T4S, R64W, on the property immediately west of your property.

Rule 603 a.(2) of the Colorado Oil and Gas Commission's Rules and Regulations requires wells to be drilled at least 150 feet from a surface property line. ConocoPhillips respectfully request you grant a waiver to Rule 603 a.(2) to allow this well to be drilled as planned. The current location of the well head is approximately 100 ft from your west property line as shown on the attached Exhibit A. Please indicate your approval in the space provided below.

Thank you for your prompt attention to this request. Should you have any questions or concerns, please contact me at 303-268-3711.

Sincerely,

Darrel C. Vanhooser, SR/WA  
ConocoPhillips

I/We do hereby grant a waiver to COGCC Rule 603 a.(2) for the proposed Krout 14-1H Well.
