WELL ABANDONMENT REPORT

This form is to be submitted as an Intent to Abandon whenever an abandonment is planned on a borehole. After the abandonment is complete, this form shall again be submitted as a Subsequent Report of the actual work completed. The approved intent shall be valid for six months after the approval date, after that period, a new intent will be required. Attachments required with the Intent to Abandon are wellbore diagrams of the current configuration and the proposed configuration with plugs set.

A Subsequent Report of Abandonment shall indicate the actual work completed. Attachments required with a Subsequent Report are a wellbore diagram showing plugs that were set and casing remaining in the hole, the job summaries from all plugging contractors used, including wireline and cementing (third party verification) and any logs that may have been run during abandonment.

I acknowledge and accept the terms set above and the receipt of the above described material in the amount shown at the construction site. I assume responsibility for reduced strength where water is added and for any damages and losses occasioned by its delivery to the above delivery address, including charges, damages or delay of time due to inadequate ingress and egress to and from the job site. I agree to pay all the above charges including delivery charges and unloading time in excess of 6 minutes per cubic yard. If my account is not paid within ten days after the date of the invoice, I agree to pay a finance charge (minimum of \$5.00) on the unpaid balance computed at a periodic rate of 2% per month which is an annual rate of 24%. If my account is referred to collection, I agree to pay all collection costs and a reasonable attorney's fee. No back charges or deduction shall be allowed unless an invoice is submitted and signed by management of Meeker Sand & Gravel, Inc. within two days after the date of this invoice.
