Margret Ash,
I have passed this information on to Mr. Brian Glade at Agwassenaar at the Environmental Protection Solid Waste and Materials Management Division. We retained Mr. Brian Glade at Agwassenaar whom we hired at the States suggestion in order
to review our site for to be sure we comply with all Colorado State rules and regulation.

Mr. Glade has sent the report to Mr. Jerry Henderson at the Environmental Protection Solid Waste and Material Management, Hazardous Materials and Waste Management Division. We also sent the report to Ms. Jane Stanczyk-Permit Supervisor.
We will comply at once with your rep[ort. I will contact Mr. Glade this morning in order to get started right away. It is my understanding that we are to wait for his report before we start working at the Drill site pad.
I will contact Mr. Henderson this morning.

I will also call your office this morning in order to speak to you.

Lloyd Richards
CEO
Ranchers Exploration Partners LLC.
