Jan,

I am reviewing the Form 2A location assessment for the Wild Horse GV 27-78HN location. Please address the following:

1. Please provide a BMP for baseline ground water monitoring.
2. The estimated location size during construction and interim reclamation appears to conflict with what is stated in the Surface Use Agreement attached to the Form 2A. Can you reconcile this for me?

Thank you,

Rick Allison, P.G.

Rick,

Thanks for the email. Please let me know if you need more information.

Thanks  
Jan

---

Jan,

I am reviewing the Form 2A location assessment for the Wild Horse GV 27-78HN location. Please address the following:

1. Please provide a BMP for baseline ground water monitoring.  
**OPERATOR WILL PARTICIPATE IN THE COLORADO OIL & GAS ASSOCIATION VOLUNTARY BASELINE GROUNDWATER QUALITY SAMPLING PROGRAM.**
2. The estimated location size during construction and interim reclamation appears to

conflict with what is stated in the Surface Use Agreement attached to the Form 2A. Can you reconcile this for me? **Please change the construction size to be 8 acres.**

Thank you,

Rick Allison, P.G.
