1. Compensation for Well; Release of All Claims

KMG shall pay to Surface Owner the sum as set forth in and according to the terms of that certain Letter Agreement by and between Surface Owner and KMG, dated June 28, 2012, as full and final settlement and satisfaction for any and all detriment, depreciation, injury or damage of any nature to the Lands or growing crops thereon that may occur as a result of KMG drilling or completion operations or its continuing activities for the production or transportation of oil, gas, or other hydrocarbons or products associated with the foregoing including, but not limited to, surface use, access, mud and reserve pits, wellhead equipment, separators, tank batteries, pipelines, gathering lines, flowlines, pipeline interconnections, and any and all other reasonable or customary uses of land related to said operations or activities.
