Scott:

Might I be able to view the temp log?

At present there isn't one in the (COGCC) wellfiles.

That would be because I neglected to attach it.

Here it is.

Regards,

Scott

Scott:

Thanks for the log. For future submissions and requests, would it be possible for either Weatherford (or Encana) to also provide the temp log in a one-page format?

Encana can defer the CBL on this well.

Regards,

Jay Krabacher
