RE: Exception Location Request Rule 318A(I).a.(1), and

Qualls 3A-28H: 822' FSL, 261' FWL (SHL)

Dear Director:

Please let this letter serve as a request for administrative approval of exception locations for the captioned oil and gas wells.

Encana Oil & Gas (USA) Inc. ("Encana") proposes to drill the above referenced well at a surface location outside a legal drilling window as defined by Rule 318A(I).a.(1), at a surface location further than 50' from an existing well as defined by Rule 318A(I).c(1), and closer than 150' to a property line as defined by Rule 603.a(2). Signed waivers of rules 318A(I).a.(1), 318A(I).c(1) and 603.a(2) by the surface owner are enclosed.

Thank you for your assistance in this matter.

If you have any questions or comments, please contact me at 720-876-5827.

Sincerely,

Encana Oil & Gas (USA) Inc.
