RE: Exception Location Request Rule 318A(I).a.(1), 318A(I).c.(1) and 603.a.(2)

Billings 1B-34H: 236' FNL, 1600' FEL (SHL)

Dear Director:

Please let this letter serve as a request for administrative approval of exception locations for the captioned oil and gas wells.

Encana Oil & Gas (USA) Inc. ("Encana") proposes to drill the above referenced well at a surface location outside a legal drilling window as defined by Rule 318A(I).a.(1), at a surface location further than 50' from an existing well as defined by Rule 318A(I).c.(1), and closer than 150' to a property line as defined by Rule 603.a.(2). Signed waivers of rules 318A(I).a.(1), 318A(I).c.(1) and 603.a.(2) by the surface owner are enclosed.

Thank you for your assistance in this matter.

If you have any questions or comments, please contact me at 720-876-5827.

Sincerely,

Encana Oil & Gas (USA) Inc.

A handwritten signature in black ink, appearing to read "Erin Hochstetler". The signature is fluid and cursive, with the first name "Erin" and last name "Hochstetler" clearly distinguishable.
