Colorado Oil and Gas Conservation Commission  
The Chancery Building  
1120 Lincoln Street, Suite 801  
Denver, CO 80203  
Attn: Mr. Matt Lepore, Director

RE: **Request to the Director for Surface Location Exception Order No. 535-3  
(Outside Drilling and Spacing Unit)**  
CASTOR FEDERAL LD13-78HN  
Niobrara New Drill  
Township 9 North, Range 58 West, 6th P.M.  
Section 12: SW/4SW/4 (Surface Location)  
Weld County, Colorado

Dear Director:

Colorado Oil and Gas Conservation Commission (COGCC) Order No. 535-3 establishes approximate 640-acre drilling and spacing units for the Niobrara formation with one horizontal well in each unit and with the surface location of the horizontal well to be anywhere within the unit.

The proposed surface location of the captioned well is outside of the drilling and spacing unit. As planned, the surface location will be in the SW/4SW/4, Section 12, Township 9 North, Range 58 West, 6th P.M. As defined by Order 535-5, the drilling and spacing unit is located in Section 13, Township 9 North, Range 58 West, 6th P.M.

Noble Energy requests approval of an exception location for the surface location of the CASTOR FEDERAL LD13-78HN well to be located outside the drilling and spacing unit.

Noble Energy has obtained written consent from the surface owner; a signed waiver is attached.

Noble respectfully requests that the COGCC review the enclosed information and approve the requested exception location waivers and Application for Permit to Drill the captioned well.

Respectfully,

Susan Miller  
Regulatory Analyst III
