Dear Director,

Synergy Resources respectfully requests the Director approve an exception to Rule 318A(c) to allow the TK Farms well(s), listed above to be drilled at the above referenced location. Rule 318A(c) of the Colorado Oil and Gas Commission's Rules and Regulations requires the well(s) drilled greater than 50 feet from any existing well(s). The The well(s) being permitted is an exception location at the request of the surface owner.

Synergy Resources Corporation has obtained written permission from the surface owner. Should you have any questions, please contact Craig Rasmuson at (970) 737-1073. Thank you for your consideration.

Sincerely,

Craig Rasmuson
