RE: Public Notice Comment Period Waiver  
Well Name: Kirchner #1  
Township: 8 North, Range 59 West, 6<sup>th</sup> P.M.  
Section 9: SESE  
Weld County, CO

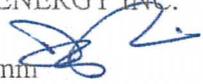

Dear Wade E. Castor,

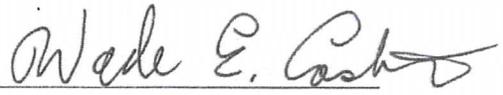

Noble Energy Inc. ("Noble") plans to re-enter the Kirchner #1 well (the "Well") at the referenced location which is more specifically described as 660 feet FSL, and 660 feet FEL which has been plugged by the former operator Juniper Oil and Mining Company.

By signing this letter you hereby grant your consent to waive the 20 day public comment period as described in Rule 305.c of the Colorado Oil and Gas Conservation Commission ("COGCC"). This rule gives the public an opportunity to make comment about a proposed well site for drilling and production. In this case the well will be re-entered to plug it in accordance with current industry standards and requirements by the COGCC.

We would like to thank you for your assistance in this matter. If you have any questions do not hesitate to call me at (970) 304-5184.

NOBLE ENERGY INC.
