Dear Mr. Lepore,

Sundance Energy proposes to drill the above captioned GWA well farther away than the 50' from the existing well at the request of the surface owner. The surface owner requests that an exception for the drilling location be made to help facilitate his farming operations on the above property. Sundance Energy hereby requests that the Commission grant an exception for the location of drilling the above well pursuant to COGCC Rule 318.A.c. As the surface owner, Sundance waives the rule.

Your consideration of this request is greatly appreciated. If you have any questions or concerns regarding this matter, please contact the undersigned.

Sincerely
Sundance Energy, Inc.
