COMMENTS:

The HM-1-13 location is 127 feet from County Road 4 (Milk Creek Rd), which is less than the 150 foot setback for wells required by COGCC Rule 603.a.(1). As such, we are requesting a 502.b variance, which required a waiver from Eagle County.

The proposed location is in the NW/NW of Section 3, Township 4S, Range 83W. The latitude/longitude of the location is 39.739306, -106.684361. The official name is the USGS HM-1-13. As stated previously, the variance request will address COGCC Rule603.a.(1), which requires a 150 foot setback from county roads. This location is 127 feet from County Road 4, and is unable to be moved any further from the road due to a steep-sided drainage north of the location.
