RE: Alm 42-33H
API #05-123-35114
SENE 33 - T7N - R65W
Permit Doc #400235321

Bob:

Your spreadsheet sent previously indicated required water well sampling COAs that had not been satisfied and listed the subject well. The spreadsheet incorrectly shows a spud date for this well of 3/30/2013. Attached is an approved Form 4 - Sundry Notice for Abandoned Location indicating that the location was never built and that the site is ready for inspection.

As such, PDC Energy, Inc. respectfully requests that the COA for this well be deemed Satisfied or Not Required based on this information. Water well sampling COAs are also in effect for eight other PDC wells in this section as follows:

Well Name	API Number	Location
Alm 33V-404	123-37329	NENE 33 - T7N - R65W
Alm 33W-214	123-37330	NENE 33 - T7N - R65W
Alm 33W-404	123-37331	NENE 33 - T7N - R65W
Alm 33V-234	123-37332	NENE 33 - T7N - R65W
Alm 33V-214	123-37352	NENE 33 - T7N - R65W
Alm 33V-414	123-37360	NENE 33 - T7N - R65W
Alm 33U-404	123-37362	NENE 33 - T7N - R65W
Alm 33U-234	123-37336	NENE 33 - T7N - R65W

Please call if any questions or concerns. Regards,

Randall H. Ferguson

Bob:

This report seems to only address Merit locations. What about PDC sites?

Thanks - Randall
