

Razor 27J
Multi Well Bore Path Map
Section 22,27,34, T10N R58W
Weld County, Colorado

The diagram illustrates a proposed well layout. It is divided into two sections by a vertical dashed line. On the left, there is an 'Existing Well' represented by a black dot. Below it, a dashed line represents the 'Proposed Road'. At the bottom left, a solid blue line is labeled 'Bore path'. On the right, there is a 'Proposed Well' represented by a blue dot. Below it, a rectangular area is labeled 'Well Pad'.
