Dear Mr. Leffler,

Synergy Resources Corporation plans to drill the above oil and gas well(s) from the above described surface location.

Rule 318A(a) of the Colorado Oil and Gas Commission's Rules and Regulation requires the well(s) drilled in a square with sides four hundred (400) feet in length, the center of which is the center of any quarter/quarter or a square with sides eight hundred (800) feet in length, the center of which is the center of the quarter section.

Please waive this requirement below showing your approval of the new well(s) being drilled at the location referenced above. Should you have any questions, please contact Craig Rasmuson at 970-737-1073.

Sincerely,

A handwritten signature in blue ink, appearing to read 'CRAS', is written over the word 'Sincerely,'.
