CONFIDENTIAL
The data contained in this report is confidential and proprietary to FSI and may not be reproduced, used or disclosed to others without the written permission of FSI. The data may be used by the recipient only for the purpose for which it was transmitted and provided to FSI. Any use of the data for purposes other than those for which it was intended is prohibited. Processing, interpretations and conclusions identified with FSI may be based upon assumptions, and may not be infallible. Because many factors may affect these processes and assumptions, FSI does not guarantee the accuracy or correctness of any interpretations made, or any conclusions contained in any FSI report.

Comments

Annular volume calculated for a 12" casing
Lake Delhay Rig 22
Tripping in hole with 4.5" drill pipe
API # 05-123-35252-00
