Attachment for Form 42 Associated with **COGCC Inspection #670501504**  
Millege 1  
NWNW, Section 3, Township 4N, Range 64W

Dear COGCC,  
PDC has addressed the issues outlined in the above referenced inspection. PDC blew down the wellhead and plan to keep it at a lower pressure until the crop has been harvested and we have an opportunity to make the necessary repairs on the well.
